

HISTORY NOTE APPENDIX CALIFORNIA EXISTING BUILDING CODE

(Title 24, Part 10, California Code of Regulations)

For prior history, see the History Note Appendix to the *California Code for Building Conservation*, 2001 Triennial Edition, effective November 1, 2002.

1. The 2007 Triennial Edition, *California Existing Building Code*, was filed with the Secretary of State on February 15, 2007. The California Building Standards Commission established January 1, 2008, as the effective date.
