A BILL

To curb the practice of imposing unfunded Federal mandates on States and local governments, to ensure that the Federal Government pays the costs incurred by those governments in complying with certain requirements under Federal statutes and regulations, and to provide information on the cost of Federal mandates on the private sector, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
 2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Unfunded Mandate
 5 Reform Act of 1995”.

6 **SEC. 2. PURPOSES.**

7 The purposes of this Act are—

1 (1) to strengthen the partnership between the
2 Federal Government and States, local governments,
3 and tribal governments;

4 (2) to end the imposition, in the absence of full
5 consideration by Congress, of Federal mandates on
6 States, local governments, and tribal governments in
7 a manner that may displace other essential State,
8 local, and tribal governmental priorities;

9 (3) to assist Congress in its consideration of
10 proposed legislation establishing or revising Federal
11 programs containing Federal mandates affecting
12 States, local governments, tribal governments, and
13 the private sector by—

14 (A) providing for the development of infor-

16 in proposed legislation; and

18 such information to the attention of the Senate
19 and House of Representatives before the Senate

23 sions by Congress on the appropriateness of Federal
24 mandates in any particular instance;

1 (5) to establish a point-of-order vote on the con-
2 sideration in the Senate and House of Representa-
3 tives of legislation containing significant Federal
4 mandates;

5 (6) to assist Federal agencies in their consider-
6 ation of proposed regulations affecting States, local
7 governments, and tribal governments, by—

8 (A) requiring that Federal agencies de-
9 velop a process to enable the elected and other
10 officials of States, local governments, and tribal
11 governments to provide input when Federal
12 agencies are developing regulations; and

13 (B) requiring that Federal agencies pre-
14 pare and consider better estimates of the budg-
15 etary impact of regulations containing Federal
16 mandates upon States, local governments, and
17 tribal governments before adopting such regula-
18 tions, and ensuring that small governments are
19 given special consideration in that process; and

20 (7) to establish the general rule that Congress
21 shall not impose Federal mandates on States, local
22 governments, and tribal governments without provid-
23 ing adequate funding to comply with such man-
24 dates.; *and*

1 (8) to begin consideration of methods to relieve
2 States, local governments, and tribal governments of
3 unfunded mandates imposed by Federal court inter-
4 pretations of Federal statutes and regulations.

5 **SEC. 3. DEFINITIONS.**
