

National Economic Council

The National Economic Council was created on January 25, 1993, by Executive Order 12835, to coordinate the economic policymaking process and provide economic policy advice to the

President. The Council also ensures that economic policy decisions and programs are consistent with the President's stated goals, and monitors the implementation of the President's economic goals.

Office of Science and Technology Policy

Director	ROSINA BIERBAUM, <i>Acting</i>
Assistant to the President for Science and Technology	(VACANCY)
Associate Director for Environment	(VACANCY)
Associate Director for National Security and International Affairs	(VACANCY)
Associate Director for Science	(VACANCY)
Associate Director for Technology	(VACANCY)
Executive Secretary for the National Science and Technology Council	GARY ELLIS
Executive Secretary for the President's Committee of Advisors on Science and Technology	RUSSELL MOY

The Office of Science and Technology Policy was established within the Executive Office of the President by the National Science and Technology Policy, Organization, and Priorities Act of 1976 (42 U.S.C. 6611).

The Office serves as a source of scientific, engineering, and technological analysis and judgment for the President with respect to major policies, plans, and programs of the Federal Government. In carrying out this mission, the Office advises the President of scientific and technological considerations involved in areas of

national concern, including the economy, national security, health, foreign relations, and the environment; evaluates the scale, quality, and effectiveness of the Federal effort in science and technology; provides advice and assistance to the President, the Office of Management and Budget, and Federal agencies throughout the Federal budget development process; and assists the President in providing leadership and coordination for the research and development programs of the Federal Government.

For further information, contact the Office of Science and Technology Policy, Old Executive Office Building, Washington, DC 20502. Phone, 202-395-7347. Fax, 202-456-6022. Internet, www.whitehouse.gov/ostp.html.
